testimonials

'Totally amazing, Alex & staff couldn't do enough went above and beyond to make our day special. It really was a perfect day.'

SARAH & DARROLL

'Amazing!! Definitely recommend. We recently got married at Hotel La Tour and all I can say is that I can't recommend Alex and the team there enough! Once the wedding details were handed to Alex, it literally felt like we were the only couple she was dealing with, and that no query was too big or too small to deal with. She was extremely quick in replying (which helped save a lot of stress!) and every time I had a random thought, I knew I could pop it over to her and get a response within a day.'

Alex was extremely organised prior to the wedding and in our meetings was always so helpful and happy which made our experience so much easier! We can't thank Hotel La Tour and Alex enough for making our big day as special as it was!'
